# **BOW Registration Process in 2004:**

The “Becoming an Outdoors-Woman” program is designed to help introduce people to the outdoors. Workshops are lots of fun, and many participants have attended repeatedly. Although we are delighted that you enjoy our efforts, our primary responsibility is to reach new people who want to learn outdoor skills.

As a result, those who have not attended a summer workshop in Alaska will be given the first opportunity to register. Registration forms from newcomers received before August 1, 2004, will be processed immediately in order received. Registration forms from “experienced” participants (those who have attended more than one workshop before) received prior to August 1 will be date stamped, and held until August 1. (Note - this is same date as the cancellation deadline.)

On and after August 1, ALL remaining and incoming registration forms will be processed in the order of the date stamps. If the workshop fills, remaining applications and tuition checks will be returned.

Moral of the story: Register ASAP to ensure your chances of attending “Becoming an Outdoors-Woman” in Alaska!

- Drop by ADF&G before the workshop and pick up a packet (\$10 for materials)
- Fill out the study course and the forms before the workshop
- Sign up for two classes: Firearms Safety (either A or M), and Hunter Ed (AB).
- Take the written test (30-45 minutes) during the weekend

Then leave with your Hunter Ed certification!
